SUBJECT: Updating the VMZEL2100 FCC Documents to included Alternate
FCC ID: VMZP742

Please update the VMZEL2100 to include FCC ID: VMZP742. The Grant for the VMZEL2100 was obtained on 08/13/2014.

VMZP742 is different from the VMZEL2100 in the following ways:

1. The external housing surfaces are different to differentiate the product.
2. The AUX Cable has been removed, and is now a 3.5mm jack.
3. The USB Connector has moved to the other side.

Other than the items listed above the VMZP742 is the same as the VMZEL2100.
